

More coverage for French vehicles

R28 Oil drain / Sump Plug

Protect your engine and our planet. SMART-O is more than a innovative oil drain (sump) plug. It's also a safety system for the engine, the customer, your business and the environment. Through a patented sealing and retention mechanism it offers a significant improvement in sealing performance and marketability. SMART-O is a complete oil change solution.

- Anti-leak & Anti-vibration
- Engine & Oil Pan Protection
- Faster Installation
- Environmental Protection
